1. Introduction and aims

At Mylor Bridge CP School, our policy aims to:

- Ensure our environment is mobile phone-free by default
- Ensure the safe, responsible and lawful use of mobile phones, where applicable
- Provide clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Risk of theft, loss or damage
- Appropriate use of technology for learning purposes

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

2. Relevant guidance

This policy meets the requirements of section 36 of the Children's Wellbeing and Schools Act 2026, and the Department for Education (DfE)'s mobile phone guidance and behaviour guidance. Further guidance that should be considered alongside this policy includes Keeping Children Safe in Education, which sets out the expectation that all schools should be mobile phone-free environments by default.

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are required to actively enforce this policy and challenge any breach of mobile phone restrictions immediately and consistently.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The headteacher is responsible for monitoring the policy and reviewing it every 2 years and, holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

4. Use of mobile phones by staff

The DfE's mobile phone guidance says that staff should not use their own mobile phone for personal reasons in front of pupils throughout the school day. All schools should be mobile phone-free environments by default: anything other than this should be by exception only.

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone during the school day whilst pupils are present. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time, for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number as a point of emergency contact.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Gemini).

See the school AI policy and ICT policy

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including by connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it's necessary to take photos or recordings as part of a lesson / school trip / activity, this must be done using school equipment.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones or a similar device during the school day in front of pupils for work. Such circumstances may include, but are not limited to:

- Use of multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

4.5 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

Pupils must not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes, unless explicitly authorised by a member of staff (for example, for a specific medical reason).

Pupils should not bring mobile phones on to the school premises. However, the school recognises that, as pupils gain independence walking to and from school unsupervised by an adult, parents may wish for their child to carry a mobile phone. If parents wish for their child to bring a mobile phone in to school, they must contact the headteacher and attend a meeting to discuss why their child needs to bring a mobile phone in to school. This must take place before a pupil is permitted to bring a mobile phone into school.

If a pupil is permitted to bring a mobile phone into school, it must be switched off upon arrival at school and handed in to the class teacher to safely store. Mobile phones will be returned to children at the end of the school day.

Pupils will be taught the risks that are associated with the use of mobile phones, both in school and more broadly, to make sure they understand the decision to prohibit the use of mobile phones throughout the school day. These risks can include a loss of focus in lessons, classroom disruption and an increase in bullying. Pupils will be encouraged to see a mobile-phone free environment as desirable and valuable.

5.1 Use of smartwatches by pupils

The DfE's statutory mobile phones guidance includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in its policy.

Smartwatches are wristwatches with smart technology in them are included in the umbrella term of 'Mobile Phones' in this policy. These devices can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smartwatches have wellness and health-related features.

Smartwatches with recording (both audio and/or visual), messaging capabilities and/or calling capabilities are not permitted in school at any time.

5.2 Exceptions for special circumstances

The only exception for the use of mobile devices in school for pupils is where there is a clear and pre-arranged medical need i.e a diabetic pupil who uses a device to monitor blood glucose.

5.3 Sanctions

Any pupils found to be in breach of this policy will be sanctions following our behaviour policy.

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents and carers are encouraged to reinforce and discuss this policy at home as appropriate, including the risks associated with mobile phone use and the benefits of a mobile phone-free environment.

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, when working with pupils or while children are present

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones but must refer any proposed sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Loss, theft or damage

Pupils bringing mobile phones to school must make sure that their phones are appropriately labelled with their name, ready to be stored away securely when not in use during the school day. Mobile phones must be turned off in school.

Staff must also secure their personal phones. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to or from school.

School will make parents aware of this via the school newsletter in the 'regular reminders' section.

Lost phones should be returned to the school office. The school will then attempt to contact the owner.

8. Monitoring and review

The school is committed to making sure that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the DfE, the local authority and any other relevant organisations

If there are any concerns regarding this policy, these should be brought to the attention of the headteacher in a timely manner.

9. Appendix 1: Code of Conduct for pupils allowed to bring their phones to school due to exceptional circumstances

You must obey the following rules if you bring your mobile phone to school:

1. Phones must be handed in to your class teacher or the adult teaching your class that day as soon as you arrive in school
2. Phones must be switched off (not just put on 'silent').
3. You may not use your mobile phone throughout the school day, including lesson times, in between lessons, breaktime and lunchtime.
4. You may not use your mobile phone in the toilets or changing rooms. This is to protect the privacy and welfare of other pupils.
5. You cannot take photos or recordings (either video or audio) of school staff or other pupils.
6. Avoid sharing your contact details with people you don't know, and don't share other people's contact details without their consent.
7. Don't share your phone's password(s) or access code(s) with anyone else.
8. Don't use your mobile phone to bully, intimidate or harass anyone or otherwise to act in breach of the school's behaviour policy. This includes bullying, harassing or intimidating pupils or staff via:
    a. Email
    b. Text/messaging app
    c. Social media
9. Don't use your phone to send or receive anything that may be a criminal offence. For instance, by making or sharing nudes or semi-nudes (including AI-generated images or 'deepfakes')
10. Rules on bullying, harassment and intimidation apply to how you use your mobile phone even when you aren't in school.
11. Don't use vulgar, obscene or derogatory language while on the phone or when using social media. This language is not permitted under the school's behaviour policy.
12. Don't use your phone to view or share harmful content.
13. You must comply with a request by a member of staff to switch off, or hand over, a phone. Refusal to comply is a breach of the school's behaviour policy and will be dealt with accordingly.
14. Mobile phones are not permitted in any internal or external exam or test environment. If you have a mobile phone, you will be asked to store it appropriately, or turn it over to an exam invigilator, before entering the test room. Bringing a phone into the test room can result in your exam being declared invalid.
