

# I didn't know I'd miss...

I didn't know I'd miss -  
my fine friends, cheerful as cockatoos,  
I didn't know I'd miss -  
the chattering noise of the classroom,  
I didn't know I'd miss -  
standing restless as the ocean, outside the school,  
I didn't know I'd miss -  
playing in the playground and whizzing like whirligigs,  
I didn't know I'd miss -  
the songs on the snowy whiteboard,  
I didn't know I'd miss -  
wearing the majestic mylor badge,  
I didn't know I'd miss -  
the screech of shoes, like chalk on a blackboard, on the PE floor,  
I didn't know I'd miss -  
the amazing adventure of school trips, excitement bubbling like  
lemonade!
