School Starting times from September

Due to the government's commitment that all schools need to offer 32.5 hrs access time each week. School will **start** at 8:45 am from 6th September 2022. Children can enter the main playground from the side gate at the time. This is a slight change to the opening of the gates at 8:45 am and children arriving until 9am as is the present practise. Please can parents use this half term to practise the new routine of **getting to school for 8:45am** – this will be **statutory from September**. Thank you for your help with this.

Leavers' Assembly

We would like to invite the family of our Y6 Leavers to a Leavers' Assembly on Friday 22nd July @ 2 pm – to be held outside if the weather is kind to us – alternatively, we will gather in the hall.
