Dear Parents,

I hope that you have had a super half term break and that you were able to enjoy the sunshine.

This week we welcome back our Y6 children, alongside offering continuing provision for Key Workers' children. I want to reassure those parents of children who are not in the government's 'focussed years' eg YR/ Y1/Y6 that we will continue to work really hard to support your children's learning at home, however, please be aware that all teachers are now completing a teaching role within school as well as supporting their classes, so there may be a time delay in responding to emails. I am also really interested in hearing your feedback about the learning being set. What aspects are your children enjoying? What's hard? Do they like a video introduction or are powerpoints better? etc.

## **Key Workers:**

We continue to offer key worker provision in school from 8.00 –4.00. This provision works in 'bubbles' wherein only 15 children can be in each bubble, regardless of whether they are in 1 day or 5 days per week. We are currently at capacity within our 1 Key Worker bubble, therefore if you require key worker provision please let us know as soon as possible, but please be aware that in order to support this request we will have to restructure and re-staff a second bubble which will take some time to complete, therefore we will not be able to accept new key worker children with immediate effect.
