I buy 12 bags of corn. How many corn cobs do I have altogether?   **108**

It is, 'buy 1 get 1 free!' I buy 4 bags of corn. How many corn cobs do I have now?   **72**

Look at the sequences. Are there any mistakes? Circle them.

45, (56,) 63, 72, 81, 90

0, 9, 18, 27, 36, 45, (56)

How many onions are there altogether?

81

I need 810 onions for my restaurant. I order 80 bags. Have I ordered enough bags? Explain how you know.

You need to order 90 bags. 9 x 9 = 81, so 9 x 90 will equal 810.
