Monday 2nd March 2020

Dear Parents

Today I have had the pleasure of celebrating the brilliant learning of your children with 2 other primary head teachers and a serving OFSTED inspector (not in the OFSTED role today!) I am immensely proud of how hard your children are working and this was the feedback received from all 3 of our visitors. Recently, we have undergone a whole school curriculum re-mapping with a focus on development of the whole school curriculum. This has been a big job for our staff and one which they have worked incredibly hard to implement. Today was affirmation that this focus has been effective for our pupils and that they are receiving really good teaching and learning as a result of this.

### Trips, visits and extended opportunities:

We are very aware that your children enjoy and learn a great deal from extended opportunities through trips, visits and real-life experiences. Where we can these trips are a little or no cost, however there are times when we request voluntary contributions from parents – thank you for your support with this. There are also some occasions when opportunities present themselves at late notice (possibly because of a break in the weather or because of some funding has become available) again we thank you for your understanding and support when this is the case.

### Little Shop of Horrors

A HUGE thank you to the staff of Penryn College for inviting our Y6 pupils to their recent production of Little Shop of Horrors – the children had a great time and were really inspired by this production.

### Y5 Science Visit to Tremough

Thank you to the science undergraduates who planned and taught our Y5 children about adaptation and habitats. The children were delighted to visit the university and to have a 'real' science experience.

**Readathon** – please help us raise £500.

Please continue to help support us

### Coronavirus - a message from the NHS...

The poster is from the NHS and HM Government. It has the NHS logo in the top right and the HM Government logo in the top left. The title is 'CORONAVIRUS: PUBLIC INFORMATION' in large, bold, black capital letters. Below the title, it says 'The Government and NHS are well prepared to deal with this virus.' followed by 'You can help too.' Then it says 'Germs can live on some surfaces for hours. To protect yourself and others:' followed by a bulleted list: '• Always carry tissues with you and use them to catch your cough or sneeze.', '• Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.', and '• If you have arrived back from China within 14 days follow the specific advice for returning travellers.' Below the list, it says 'This is the best way to slow the spread of almost any germs, including Coronavirus.' At the bottom, it says 'Find out more at [gov.uk/coronavirus](https://gov.uk/coronavirus)'.

Kindness, Respect, Determination, Confidence, Creativity, Self-Awareness

### **Friday Goblin Car Sale Fundraiser**

Please don't forget that each Friday afternoon Mrs Stephenson is running a stall selling all sorts of items to raise money for our Year 6 Goblin Car Racing. Any donations for this would be hugely welcome.

Have a super week,  
Vicky Sanderson
