

WALT use secondary sources to draw Boudica

Use the description by Dio Cassius, a Roman historian, to draw your own portrait of Boudica.

"In stature she was very tall, in appearance most terrifying, in the glance of her eye most fierce, and her voice was harsh; a great mass of the tawniest hair fell to her hips; around her neck was a large golden necklace; and she wore a tunic of divers [various] colours over which a thick mantle was fastened with a brooch. This was her invariable attire."
